HONORS PROGRAM CHECK LIST

General Information					
Student Name					
Expected Graduation Date					
GPA		ACT		Recommendations	

Requirements

1) Attendance at college symposia, college events, speaker series, etc. This can include not only special lectures, presentations, and forums, but other colleges activities, such as Career Day. Activities must have an academic justification. Non-academic activities (sporting events, movie nights) will not qualify. Students must attend two (2) events per term, four (4) total in an academic year.

Event	Date	Sponsor

2) Complete twelve (12) hours of Honors courses. These courses may be either Honors designated or Honors Contracted. No courses offered as Dual Enrollment should be Honors designated. (See list below).

Course Number	Course Title	Term

3) Participate in Honors Day Presentation at end of Spring term. Projects and research will be presented to the college and community.

Presentation: _____

4) Complete six (6) hours of service learning. May be completed as part of an Honors designated or Honors Contracted course or as part of a Service Learning Special Topics course.

Service Learning Activity	Hours Completed	Term

5) Completion of Honors Leadership Course—HUM 275.

HUM 275 Completed: _____

6) In addition to regular projects as part of the Honors Contract, all Honors Contracted courses will require some off-campus activity related to a topic in the course.

Off Campus Activity and Course	Hours Completed	Term

7) Participation in one Honors meeting a term.

Honors Meetings
