

## Changing Desktop Resolution

1. Please log into the computer with the Vol State user account provided by the Information Technology Department.
2. Choose a spot anywhere on the “blue area” of the desktop. Not on any of the icons.
3. Using the right mouse, button single-click the “blue area”.  
A menu is displayed.
4. From this menu, choose *Properties*.  
The *Display Properties* window is displayed.

5. Choose the *Settings* tab.
6. Locate the area labeled “Screen Resolution”.

7. Move the “Slider” right and left to change the size of the desktop.  
Moving it to the left makes them larger.  
Moving it to the right makes them smaller.
8. Click *OK* on the properties window.
9. If a prompt appears asking to keep these settings, choose *Yes*.
