Community Partner Update

We did some great work at Children are People Inc. (CAP)! Twelve Service Learning Club members met and cleaned the building from top to bottom. Alex Sircy, the AmeriCorps VISTA, was then able to go in and organize their resources.

The Shalom Zone is looking for tutors that are available to work with kids on a regular basis. If this is something you would be interested in, please contact our office.

Service Learning Club Meetings:

September 6th
Rochelle Center
12:00-1:00

October 26th
Rochelle Center
12:00-1:00

Come as you can!

Although Alex Sircy, our summer AmeriCorps VISTA, was only with us for eight weeks, he was able to accomplish an astonishing amount of work at both CAP and Shalom Zone. Alex, with the help of the Service Learning Club, was able to clean the building at CAP, as well as organize material resources for curriculum development. Alex has also worked with the Shalom Zone to update their computer system over the summer.

In addition to working closely with our community partners, Alex has also worked hard to expand the Service Learning Club at Volunteer State.

As Alex leaves, we will have a new AmeriCorps VISTA to take his place. With that being said, the new VISTA will have some big shoes to fill. There is no way to thank Alex enough for all of the work he has done here.

We now have T-Shirts!

All active members will receive one of our shirts!

How to Join the Club?

You can now join the club online!
To join, simply fill out the form on the Service Learning Club Website.
