

Learning Communities for Fall 2007

Hurry to sign up for the new Learning Communities (LCs) for the fall semester! Know what a Learning Community is? Nothing but a win-win for you. A Learning Community simply means that a group of students work together as a community to get through a class. Students may take follow-up classes together.

Sometimes a couple of classes are linked together with the instructors catering the assignments to complement the other. VSCC will be offering four Learning Communities specifically for freshmen. These classes

may or may not be linked, but all will be working with our Academic Support Specialist, Poppy Steele. She will attend some of the classes and supplement the class with additional learning opportunities.

This chart shows the Learning Communities that are available through VSCC. They have links with classes for spring 2008.

Ask your advisor for more information, or call the TRIO office at 230-3732.

Graduation Celebration

The hard work has paid off. The papers are turned in; the exams are graded. Graduation is here, and it is time to celebrate!

TRIO SSS will hold a Graduation Celebration TRIO graduates and transfer students on May 10th at 8:30 a.m. in the Rochelle Center.

There will be brunch, speakers, pats on the back, and "woohoo's"! Come and join us! Seating is limited, so first come-first served.

David Burns and Mamie Stafford, graduating TRIO students, were recently honored as distinguished student leaders. Mamie was the winner of the R.M. Ruff Award.

Congratulations, Grads!

Study Tips

- Try making up jingles with information that you need to memorize/remember.
- Use the music from your favorite songs to create new words using information that you need to remember for a class.
- Make up acronyms from the titles of your favorite songs. Ex. Hydrogen Einsteinium Lithium Plutonium
