Volume III, Issue 4

A Publication of the TRIO Student Support Services Program

October 2008

Introducing: TRIO TRACKERS

Who are TRIO TRACKERS?

TRIO TRACKERS are TRIO students who share the benefits of participation in TRIO with other students. They encourage students to take advantage of services that help with academic success. We believe that peer-to-peer recruitment allows students to support one another while reaching their academic goals.

When will TRIO TRACKERS start?

The program will have a 30-day pilot, starting Oct. 1, 2008 until Oct. 31, 2008.

How does a student get involved?

Interested TRIO students may get a TRIO TRACKER card in the TRIO office.

Are there awards?

The TRIO student who recruits the most students into the TRIO program will be named “**TRIO TRACKER of the MONTH**”, and will receive a special award. At our Year-End Celebration, we will honor our “**TRIO TRACKER of the Year**”.

3, 2, 1 ... Blast Off!

On Monday, Oct. 13th, during Fall Break, TRIO students and staff will ‘blast off’ to the U.S. Space & Rocket Center in Huntsville, Alabama. Once there, we will embark on a mission to discover Huntsville's role in the making of the moon rocket, the Apollo missions, the International Space Station, the Space Shuttle program, and more. This career explorations trip is full, but you may place your name on the waiting list in case of cancellations.

To give suggestions for our next ‘great adventure’ or other TRIO services, please call or come by the office to complete the TRIO Trips and Services Surveys.

Study Tips

Master Student Secrets

- Study for each class for at least 30 minutes every day.

- Make a schedule of assignments and schedule a timeline for big assignments. Begin working on big projects as soon as they are assigned.
- Talk to the instructor about any questions or challenges in the course.
