

Appendix A: VSCC AAS to MSU BAS Program Articulation

General Articulation

All Volunteer State Community College (VSCC) Associate of Applied Science (AAS) degree programs articulate to the Mississippi State University (MSU) Bachelor of Applied Science (BAS) degree with a major in **Applied Science**.

Specific Program Mappings

The following VSCC AAS programs have specific articulation pathways to designated MSU BAS majors:

VSCC AAS Program	VSCC Concentrations	MSU BAS Major(s)
Business	Accounting Logistics and Supply Chain Management Management Marketing	1. Business Office Technology 2. Organizational Leadership
Computer Information Technology	Cyber Defense	1. Cybersecurity
Criminal Justice		1. Public Management 2. Organizational Leadership
Fire Science		1. Public Management 2. Organizational Leadership
Health Sciences	Dental Assisting Diagnostic Medical Sonography Paramedic Sleep Diagnostics Technology	1. Healthcare Administration
Mechatronics		1. Advanced Manufacturing

Notes

- Credit Transfer:** Students may transfer up to 60 credit hours from their VSCC AAS degree, with a maximum of 45 hours allowed for technical credit.
- General Education:** General education courses completed as part of the AAS degree will be evaluated for transfer according to MSU's transfer credit policies.
- Technical Credit:** Technical coursework from AAS programs will be awarded technical credit toward the BAS degree, subject to MSU approval and program requirements.
- Additional Requirements:** Students must complete at least 60 credit hours at MSU, including a minimum of 30 hours of upper-level coursework to meet BAS degree requirements.
- Document Accuracy:** The program mappings listed in this appendix are accurate as of the date of MOU execution. As academic programs at both institutions may be added, modified, or discontinued over time, the specific program listings in this appendix serve as the baseline articulation framework established at the time of agreement.

This appendix serves as the official articulation guide for VSCC AAS to MSU BAS program transfers under the Memorandum of Understanding between the institutions.
