Getting to Know **MIDDLE TENNESSEE**

BY ERIC MELCHER, COORDINATOR OF
PUBLIC RELATIONS AND MARKETING, VSCC

Dr. Orinthia Montague began her service as the fourth President of Volunteer State Community College on September 1, 2021. She and husband, Michael McGhee, have been out and about in the community. In fact, it's hard to keep track of our new president as she literally flies around the area getting to know people. She recently had a ride in a Blackhawk helicopter while visiting the Air National Guard.

"Living in Middle Tennessee so far has been great! I have had the opportunity to meet so many different individuals who are native to the area as well as being transplanted. The level of commitment and desire within the community to Vol State has been phenomenal."

Dr. Montague was born in Jamaica, the youngest of six children, and moved to the United States at the age of three. She grew up in Missouri and attended college at Truman State University in Kirksville, MO. She earned a master's degree in counseling and has worked as a high school social worker and in a youth group home facility. Dr. Montague began her higher education career in Student Life at the University of Missouri-St. Louis and earned a Ph.D. in Higher Education Administration from the school. Husband, Michael, is a Navy veteran who works in medical information technology.

Chancellor's Award

2020 Recipient of the Chancellor's Award
for Excellence in Philanthropy

DR. LESLIE BENMARK

Dr. Leslie Benmark gives generously to our Educate a Woman and general scholarship funds. She started her own scholarship for the international criminal justice travel abroad program. Dr. Benmark is quite a remarkable woman, who blazed the trail for women in the field of Engineering and Technology. She has received many awards and has served on multiple boards and advisory councils. In addition to her work and activities as a professional engineer, Dr. Benmark has also been extensively involved with the Civitan organization, including serving a term on the International Board. She has developed a passion for Volunteer State Community College and has been an ambassador in the community and in her own family. She embodies the spirit of the Chancellor's Award for Excellence in Philanthropy.

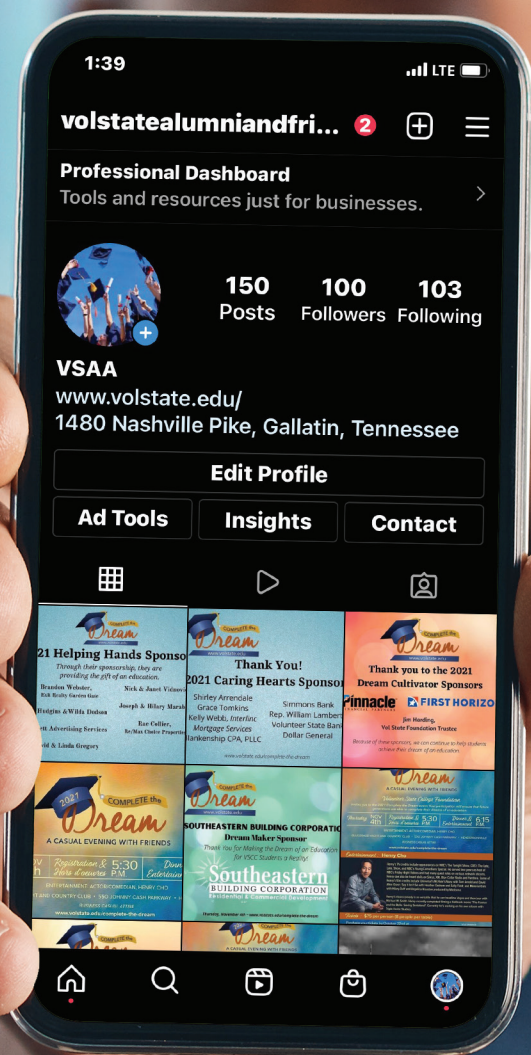

2021 Recipients of the Chancellor's Award
for Excellence in Philanthropy

DR. JERRY AND WANDA FAULKNER

The Faulkners became major donors when Dr. Faulkner was named President for Volunteer State Community College in 2012. They are now enjoying retirement in East Tennessee but remain givers! Wanda served on several committees to help raise funds for scholarships for students along with other projects of the college. The Faulkners led by example in all of the campaigns during his tenure. This included giving to the Humanities Building, the Warf Building Renovation, Wilson County Project and our Nursing Program. In addition, they were sponsors for each Vol State Foundation event. Their passion for Vol State came across to everyone they met.
