

The National Association of  
Veterinary Technician's in  
America (NAVTA) chapter  
promotes the **Vet Tech Club**,  
and exposes the students to  
more educational  
opportunities as well as the  
humane medical care and  
treatment of animals.

**You must be in the  
Vet Tech Program to  
become a member.**

For more information about the  
program and/or the club contact  
the organization Advisor:

**Donna Smith**
