College/University Information Section

High school freshmen and sophomores may only receive the Dual Enrollment Grant at a Tennessee College of Applied Technology (TCATs). High school juniors and seniors can receive the Dual Enrollment Grant at either TCATs or eligible community colleges and universities. The list of schools in the dropdown below is determined by your grade level. If you do not see your desired school, then either you are not eligible to receive DEG based on your grade level or that school is not an eligible DEG school.
