

Vol State Course Alignment with Targeted TDOE CTE Programs

- **Health Science: Sports and Human Performance**

Action Steps

- Review Vol State CTE-aligned courses and credentials below.
- Request sample syllabuses if additional course information is needed.
- Contact the Dual Enrollment Office at dualenrollment@volstate.edu to explore questions and next steps:
 - Course modality and location
 - Credentialing a high school faculty member to teach the dual enrollment course.
 - Discuss course type (university parallel vs. vocational/career)
 - Discuss the purpose of the course and/or transferability of courses.
- Communicate course selection with the high school counselor for master scheduling.
- Ensure the required facilities, equipment, and software are available for in-person classes at the high school.

Regarding Course Instructors

- For most approved dual enrollment courses in each modality, Vol State provides the instructor.
- The availability of a qualified professor for the desired modality is one key factor in a course being approved and offered.
- Some high schools seek to have one of their high school instructors credentialed to teach the course for dual enrollment in person at the high school. To learn more about how high school teachers can be credentialed to teach Vol State courses for dual enrollment, [click here](#).

TDOE CTE Program of Study – Vol State Course Alignment Grid

- The courses in the grid below, have a curricular scope that aligns with one or more levels in the TDOE course descriptions.
- In discussion with Vol State, each high school should evaluate:
 - Which Vol State course or courses they want to use in their CTE program study.
 - What level or levels they will assign these Vol State courses to in their CTE program of study.
 - Click on each course for more information.

TDOE Cluster	TDOE Program of Study	Vol State DE Course Options
Health Science	Sports and Human Performance	EXSC 190 Introduction to Exercise Science HED 120 Introduction to Wellness HED 220 Principles of Nutrition

Courses	University Parallel (Transfer Degrees)		
	Sports and Leisure Management	Exercise Science	Health, Physical Education, and Sports Medicine
