## Karen Mills **Guest Speaker**

Karen Mills has been in the humor business for over 21 years. As a stand-up comic, Karen has toured clubs, colleges and theaters across the country, and she can be heard regularly on Sirius / XM Laugh USA and Blue Collar Radio. Whether she is touring theaters with her comedy show or speaking at conferences, Karen Mills finds the funny in everyday life.

That didn't change when she was diagnosed with ovarian cancer. Karen was determined to take on the disease with hope and humor. Now cancer free, she has been hailed for her ability to bring humor to difficult topics.

Karen Mills has faced every challenge with determination. At 5'2", she was told more than once that she was too small to play basketball. Not only did she play, in 1981 she led the nation in assists and became the first, Division 1 first team All-American in UT- Chattanooga's history. She was the first UTC athlete to earn that distinction in any sport, male or female. Her #12 uniform was retired, and Karen became the first female inducted into UTC's basketball Hall of Fame.
