Dear Student,

Thank you for your interest in the Dental Assisting Program.

The VSCC Dental Assisting Program is a one-year, three semester, and full-time course and is composed of didactic and clinical instruction. It is designed and organized to promote the personal and professional growth of each student. The main objectives of the program are to prepare the student to function in the dental setting and to academically qualify for the Dental Assistant National Board certification examination and the Tennessee Board of Dentistry registry examination. The American Dental Association is Commission on Dental Accreditation, a specialized accrediting body recognized by the Council on Post-Secondary Accreditation and the United States Department of Education, accredits the program in Dental Assisting.

Enclosed you will find information about admission requirements and selection, a Clinical Observation form, and a semester-by-semester outline.

Program Mission Statements and Goals

**Mission Statement:**
The mission of the Dental Assisting Program at Volunteer State Community College is to produce entry-level graduates that are competent assistants, registry eligible and demonstrate professional concern for their patient.

**Outcome Goals:**
1. Student will demonstrate the basic skills to be a competent dental assistant.
2. Students will define the terminology unique to dental assisting.
3. Students will illustrate comprehension of professional ethical standards for dental assisting.
4. Students will apply and demonstrate critical thinking, problem solving and decision making skills within the parameters of dental assisting.

**This profession may expose the student to bloodborne pathogens.**

*Therefore, the Dental Assisting Program follows all rules and regulations set forth by the Occupational Safety and Health Administration (OSHA). The student is required to be immunized against infectious diseases as required by the clinical affiliates and OSHA regulations or complete a refusal document with the guidelines of the regulations. Clinical affiliates may refuse clinical rotation access to students who fail to obtain the required immunizations.*
