Revised 4/2024

The purpose of this policy is to establish the provisions for such fee discounts up to 50% of the undergraduate fee for spouse and dependent children of regular full-time and regular part-time employees and to encourage such qualified students to attend the area vocational-technical schools, TBR, and UT Institutions.

A. ELIGIBILITY: The following groups will be eligible under this program:

1. Regular full-time employees are eligible for a student fee discount for their spouse and dependent children who have been admitted to any of the institutions in the TBR or UT system as undergraduate students through standard admission procedures. Spouse and dependent children of regular part-time employees who have one or more years of continuous service within either system working a minimum of fifty percent (50%) time shall receive a pro rata discount based on the percent of effort currently worked by the employee.
2. Spouse of employees having 10 or more years of continuous full-time service within the TBR system immediately preceding retirement or death are eligible for the fee discount for 5 years from the date of death or retirement of the employee whichever shall occur first. Dependent children of such employees are eligible for the fee discount through age 26.
3. Spouse and dependent children of employees having less than 10 years of full-time continuous service within the TBR system immediately preceding retirement or death are eligible for the fee discount for 2 years from the date of death or retirement of the employee whichever shall occur first.
4. Spouse and dependent children of employees who had 10 or more years of regular continuous part-time service immediately preceding retirement or death are eligible for the fee discount on a pro rata basis for 2 years from the date of death or retirement of the employee. The pro rata discount will be based on the percent of effort worked by the employee at the time of retirement or death.
5. However, in accordance with TCA § 8-50-115, dependents under age 24 at the end of the two-year period become eligible for a 25% discount if the parent: (1) died while employed full-time (effective May 31, 1997), or (2) was killed on the job or in the line of duty while a full-time employee.
6. Spouse and dependent children must be admitted in the TBR or UT Institution or TBR Technology Center through standard admission procedures.
7. For the purpose of this policy, dependent children shall be defined as:
 - a. Employee's natural children 26 years of age or under
 - b. Employee's stepchildren, provided such children are 26 years of age or under and living with the employee in a parent/child relationship
 - c. Employee's legally adopted children who are 26 years of age or under; or
 - d. Any other individuals who are 26 years of age or under and living in a parent/child relationship with the employee, such as children of deceased parents who are being raised by a grandparent who is a TBR system employee.
8. The status of the employee on the first day of classes for each term shall be used to determine eligibility and the amount of the student fee discount for spouse and/or dependent children. A change in employee status after the first day of classes shall not affect eligibility for the fee discount for that term.
9. For employees who meet eligibility requirements after the first day of classes, the discount shall be available at the beginning of subsequent term.
10. Each institution/school/Central Office shall be responsible for certifying employee eligibility for fee discount under this policy.
11. Employees who are on leave of absences with pay will retain eligibility under this policy; the employee's percent of effort immediately prior to the leave of absence shall determine the amount of the student fee discount.
12. Employees who are on leave of absence without pay are not eligible under this policy unless the leave of absence (a) is due to an on-the-job injury, (b) complies with the provisions of the Family and Medical Leave Act of 1993, or (c) is approved by the institution/school/Central Office to permit the employee to engage in teaching or other job-related activities intended to increase their efficiency as employees.
13. If a regular employee qualifies under this policy as an employee's spouse or dependent child, the fee waiver and staff development provisions for employees shall take precedence.
14. Employees are responsible for notifying the Office of Human Resources of any changes in eligibility.
