

## Changing Screen Resolution Under Windows 7

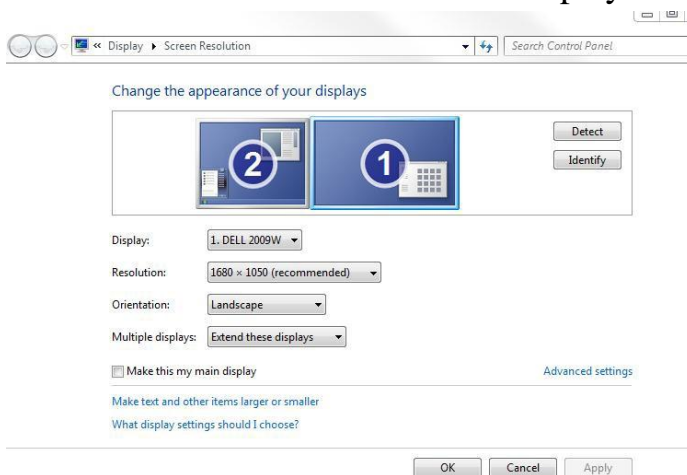

1. Please log into the computer with the Vol State user account provided by the Information Technology Department.
2. Right-click any open area of the desktop (not on any of the icons) to get this menu.

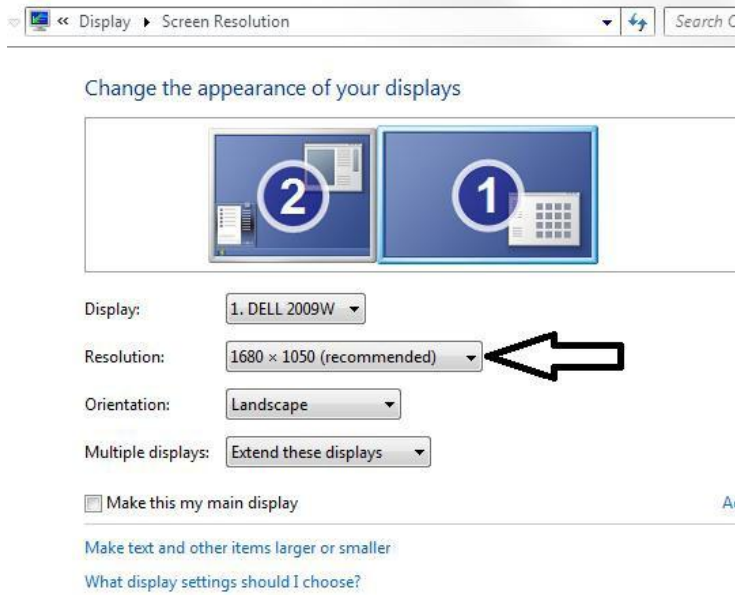

3. From this menu, choose *Screen Resolution*.

4. The *Screen Resolution* window is displayed.

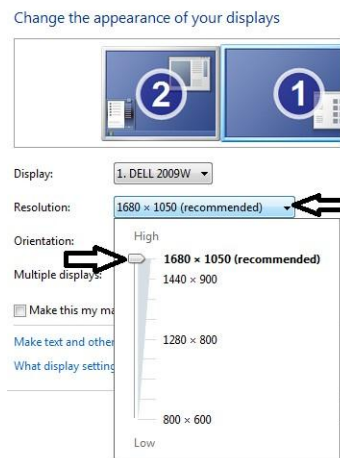

5. Locate the area labeled *Resolution*.

6. Click the drop-down arrow and then move the “slider” up and down to change the size of the desktop.

Moving it up makes the desktop size smaller.

Moving it down makes the desktop size larger.

7. Click *OK* on the properties window.

8. If a prompt appears asking to keep these display settings, choose *Keep changes*.
