

PCMC Application Packet Checklist

Please review and indicate completion of each item by placing your initials in appropriate blanks.

Student Name: _____ High School attending: _____

____ Complete the Putnam County Middle College application packet. This includes:

____ Application (to be completed by student) Completely answer each question. If you choose to leave questions blank, it will delay or prevent the application from being reviewed for acceptance into the program.

____ Request two (2) recommendations: Counselor and teacher forms are in the packet.

Counselor selected _____

Teacher selected _____

____ A typed essay of at least 150 words stating why you want to attend the Putnam County Middle College and how this will impact your future goals. Students must physically sign the essay.

Financial aid is available to all qualifying Putnam County Middle College students. However, some expenses will be the responsibility of the student.

A statement of financial responsibility will be required to be signed by a parent/guardian as part of the Putnam County Middle College onboarding process for those students accepted into the program.

Academic information will be verified by your high school transcript. The EPSO Specialist will obtain your transcript and submit it to Vol State. If the high school GPA is not 3.6 or higher, you will be required to submit ACT scores or schedule the Accuplacer placement exam.

Application packets are due no later than 3 pm on May 1 for priority review. No application packets will be accepted after May 10.

Upon notification of PCMC acceptance, a separate Vol State application is required. An interview process and screening may be held if there are more qualified applicants than spots available.

If selected to participate in the Putnam County Middle College Program, you will be responsible for your own transportation. What is your plan?
