

II 02 01 DEVELOPMENT AND OPERATION OF OFF-CAMPUS INTERNATIONAL EDUCATIONAL PROGRAMS

Volunteer State Community College recognizes international education, including study abroad, as an established and effective method for providing students with a global perspective and extended educational opportunities to the citizens of Tennessee. The College has developed specialized policies and procedures relating to issues of international education delivery and administration as specified by Tennessee Board of Regents policy. These policies and procedures are outlined in the Volunteer State Community College Guidelines for International Education and are reviewed and updated periodically by the Dean of Academic Support and International Education Committee. The Guidelines may be accessed on the College website.
