

VSCC Policy No: IV 30 03 USE OF PORTABLE WHEELED DEVICES

PURPOSE/SCOPE

The College prohibits the use, possession or storage of electronic skateboards including self-balancing boards/scooters, skateboards, roller skates, roller blades and other similar devices. No person may skateboard, roller skate, use roller blades, electronic skateboards including self-balancing boards/scooters or any similar wheeled device in any college building, on sidewalks, roadways, parking areas or on college property. Devices used by individuals with mobility issues for the purpose of locomotion are permitted when registered with the Office of Disability Services. Motorized mobility devices must operate at a limited speed flowing at the pace of pedestrian traffic. Campus Police is responsible for enforcement of this policy.

Bicycle use is permitted on campus in accordance with T.C.A. §55-8-172 Traffic laws. Failure to comply is a Class C misdemeanor. Bicycles may be secured in bicycle racks provided on the Gallatin Campus.
