

III 15 04 CLASS/GRADE ROLLS AND STUDENT SCHEDULES

CLASS ROLLS

Class rolls are generated online as students register for classes and will be instantly updated as students drop and add classes. Class rolls are available for faculty use in the student information system. Faculty should check their class rolls carefully to determine if students who are attending are listed on the roll. If a student's name is not on the roll, but attending class, the student must report to the Office of Records and Registration to determine why their name has been omitted.

FINAL GRADE ROLLS

Grade rolls for posting final grades online are available in the student information system during the final exam period until the published final grade due date. Final grade rolls may be made available before the final exam period for sessions of less than 15 weeks at the discretion of the College Registrar.
