

# Emergency Medical Services Licensure Disclosure

Volunteer State Community College's Paramedic Program is accredited by the Commission on Accreditation of Health Sciences Education Programs (CAAHEP). Upon recommendation of the Committee on Accreditation of Educational Programs of the Emergency Medical Professions (CoAEMSP), the program's goal is "To prepare competent entry-level Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician levels. Education at Volunteer State's EMS Program at all levels, with successful completion results in eligibility to sit for the National Registry exam which is excepted for either initial licensure or reciprocity in all US states and territories.

The State Licensing column will indicate:

- **Meets**- the Vol State program curriculum meets requirements in these states and US Territories
- **Does Not Meet**- the Vol State program curriculum does not meet the requirements in these states and US Territories
- **None** – there are no known requirements for licensing in these states and US Territories
- **Undetermined** - the Vol State program curriculum has yet been determined if the curriculum meets the requirements in these states and US Territories.

If you have additional questions, please contact the director of the Emergency Medical Services Programs, listed on [Volunteer State's NC-SARA webpage](#). Disclosures by State
