

# Radiologic Technology Licensure Disclosure

Graduates of Volunteer State Community College’s Radiologic Technology Program are eligible to sit for the American Registry of Radiologic Technologist’s national certification examination. Licensure requirements for radiologic technologists vary according to state statutes.

The State Licensing column will indicate:

- **Meets**- the Vol State program curriculum meets requirements in these states and US Territories
- **Does Not Meet**- the Vol State program curriculum does not meet the requirements in these states and US Territories
- **None** – there are no known requirements for licensing in these states and US Territories
- **Undetermined** - the Vol State program curriculum has yet been determined if the curriculum meets the requirements in these states and US Territories.

If you have additional questions, please contact the director of the Radiologic Technology Program, listed on [Volunteer State’s NC-SARA webpage](#).
