

Workforce Training and Development

Health Sciences Center of Emphasis “Where Education and Healthcare Meet”

Health Sciences Center of Emphasis

The Health Sciences Center of Emphasis, a training arm of the Division of Workforce Development, provides workforce and continuing education opportunities for healthcare providers and healthcare organizations. The Center also provides short-term, entry level healthcare programs to those interested in a career in the healthcare field.

The Contract Training Option

Customized Contract Training

The customized training option, designed to meet the *specific* culture, number of employees, schedule and priorities, is tailored for each healthcare practice or agency. Comprehensive services provided by the Center include:

- Customized Curriculum Design
- Scheduling and Course Delivery
- Assessment
- Certificates of Completion
- Course Evaluation
- Record keeping/Transcript Availability

Standard Contract Training

Whether the training is customized or drawn from industry-recognized standards, training may be delivered in person, online, or virtually, at your place or ours. Broad categories of training include, but are not limited to:

- American Heart Association Certificate Courses: BLS, ACLS, PALS, PEARS, Bloodborne Pathogens, Heartsaver CPR/AED and First Aid
- AEMT Courses – PHTLS, AMLS, TCCC
- EMS-Related Refresher Courses
- Phlebotomy Technician
- Professional Development workshops in a variety of healthcare fields.
