Volunteer State Community College would like to take this time and say thanks to our friend and colleague, Bob Jankiewicz (Director of the OTIEC at Volunteer State CC) as he heads into retirement at the end of January. Bob was our leader in establishing the OTIEC at Volunteer State and has done a tremendous job in fostering and nurturing the growth of the program and the individuals that we can serve. We will miss having Bob as part of our team at Volunteer State but wish him happy trails ahead in his well-deserved retirement.

Nick Bishop, Esq.
Vice President for Economic and Community Development

## Sign Up for Local and National Emergency Alerts

Emergencies can strike anywhere, anytime. They can be due to severe weather events or public security threats. Because disasters and emergencies are unpredictable, it's important to prepare as soon as possible. Give yourself time now to ensure your safety before an emergency occurs by receiving emergency alerts. Know the difference between the main types of alerts, including how you can sign up to get them and what types of messages they communicate.

**Be Prepared With Emergency Alerts**
